NIST CSF ALIGNED

Cybersecurity Assessments

Understand your true security posture with an evidence-driven evaluation aligned to the NIST Cybersecurity Framework — and a clear roadmap to close your gaps.

Govern | Identify | Protect | Detect | Respond | Recover

Every assessment delivers a structured view of where your organization stands today, where your most critical risks lie, and what actions to take next. Choose the depth that fits your timeline and budget.

Tier	Scope & Interviews	Deliverables	Investment
Lite	• Pulse review across all NIST categories • 2 stakeholder interviews • Targeted gap & risk identification	• Pulse scorecard • Top gaps & risks list • 8–10 priority actions • Final deliverable deck	**$5,000**
Basic	• Evidence-driven discovery • 3 stakeholder interviews • Reviews 1–2 agreed NIST functions	• Category scorecard • Top gaps & risks list • 10–12 prioritized actions • Final deliverable deck	**$9,000**
Standard	• Evidence-driven discovery • 3 stakeholder interviews • Reviews 1–2 agreed NIST functions • Stronger evidence-based sampling	• Category scorecard • Top gaps & risks list • 10–12 prioritized actions • Final deliverable deck	**$16,000**
Premium	• Deeper coverage across all 6 NIST functions • 9 stakeholder interviews • Deep evidence review & exec alignment • Quarterly check-ins post-delivery	• Category scorecard • Ranked gaps & risks (by impact & priority) • Multi-quarter roadmap • Final deliverable deck	**$38,000**

Not sure where to start? We'll help you figure it out.

Every organization's security needs are different. Reach out and one of our experts will help you find the right assessment tier.
